OCALA NATIONAL BANK

7 E SILVER SPRINGS BLVD, OCALA, FL 34470

The Ocala National Bank was constructed in 1911 and is the only Classical Revival Style building in the downtown area.

From the beginning, the bank operation played an important role in the financial affairs of Ocala and Marion County. The bank's quarters were said to have one of the finest systems of fire and burglar-proof safes and vaults in central Florida.
